road would have a line reaching direct from St. Louis to San Francisco. The Commonwealth of vesterday says the board of directors of the Atchison, Topeka & Santa Fe railroad held a meeting in Boston yesterday. It is believed in railroad circles that the Santa Fe company will become the owners of the St. Louis & San Francisco road before the directors' meet ing adjourns. This of course would give our Kansas road absolute control of the Atlantic & Pactfic line, which will then be built from the Colorado river to San Fran- "Hot work; eh, Colonel, was't it? Ye cisco. We do not pretend to know any

thing about it, but then it seems to us the Santa Fe should become the absolute owner of the Atlantic & Pacific road, as this cannot be accomplished without the purchase of the St. Louis & San Francisco We believe the Santa Fe will buy the San Fran-

#### A LUSTY KICK.

The Augusta Gazette employs some e siderable space and many figures to prove that a patent paper is preferable to an allhome-print: that the Gazette is a better paper than EAGLE-more ably edited, contains more matter, and so on. That's all right. We have never denied any of the propositions, and if Mr. Kurtz is satisfled, so are we. Every patent paper may be, and no doubt is, a better paper than the Eagle-in the estimation of its particular owner; but in our own personal estimation, all the patent papers in the State combined have not the influence, character or weight of the Eagl.E, so what's the use of "Well, well, excuse me, Colo discussing the matter? We can't be convinced that we ought to turn the EAGLE The tail board out one's feelings; and the into a patent, and we have no desire to convince Kurtz that he ought to make the Gazette an all-home-print paper.

#### MIXED.

The Leavenworth Times is a little ungraciously mixed in its observations touching its quotation from that double-leaded longble. To call the editor of the EAGLE a ous city are assisting in the affair, support gambler, who never won or lost a cent in ed by the business men and the whole peo his life, or a wife-beater, who never mis- ple. #### STORM IN MCPHERSON COUNTY.

McPherson county was visited Thursday night by a heavy storm, accompanied by a prouched with the velo coming from the west.

### THE SURVIVING VETERANS.

Gen. Dudley, Commissioner of pension cerning the men who served in the ranks of the Union army during the late civil war. He had ascertained that 2,780,178 men enlisted, from the outbreak of the war until its close. But of these, he said, it was quite certain that 716,787 were counted more than once, by reason of re-enlistments, so that 2,063,391 individuals served one or more terms of enlistment. Two-fifths of the adul Union troops, therefore, enlisted. Of these, Geo. Dudley said, 604,300 are now dead. the service, or died since their discharge,

Gen. Dudley was speaking in response t the toast, "The Grand Army of the Republic," and he estimated that of the surviving soldiers, 1,350,000, having honorable discharges, were eligible to memborship in that organization. The Society had about 2,600 posts, and a membership of over 160,

he enlisted, Gen. Dudley said, was twentysix years. Add to this the twenty years that have elapsed, and the average age of the survivors to-day is forty six years. have been honorably discharged, the ordinary mortality rates for that average age, main of the old gaurd in round numbers but 45,000 ; in 1905 but 758,500. And this is only looking forward as many years as we must now look back for the events which called them to arms. In forty years the youngest of them will be eighty years old, and instead adult male population, they will constitute
